

Grade 4 & 4-5 Terrariums

	22nd October 2025	28th October 2025
Name:	Height (mm)	Height (mm)
Nash	73	62
Logan	47	83
Flora	30	40
Lyla	53	85
Ted	76	90
River	25	50
Harvey	55	50
Harrison	90	102
Greta	71	100
Milla	57	70
Ivy	103	135
Piper	63	135
Harry	53	44
Carter	51	55
Jack	30	30
Isla	59	60
Phoebe	105	110
Mehar	31	67
Ollie	73	84
Makayla	46	46
Daisy	25	30
Beau	26	44

Grade 4 and 4-5 students have been growing their own Terrariums! Students have been watching the growth, measuring, and comparing results as part of their maths. In in inquiry, they have been learning about the things that are needed to support life. Things like oxygen, water, and sunlight. The comparisons help students to determine if too much water or not enough sunlight will affect the results of their Terrarium experiment. So far, students have had varied results. It will be interesting to see what happens to the growth after the long weekend!
